How is it possible that Summer has “zoomed” by? You can’t say there wasn’t enough to do this summer. There were many lodge picnics, the GL bocce tournament (I did not win), and the Santelli Ambassador fundraiser was held on Aug. 28. It felt like an old fashion Santelli picnic...food, wine, music, and so much love and fun. Thanks to all who supported this event in whatever way you could. A special thanks to the Santelli family for their generous donation to our Scholarship fund.

The Portland Festa and the All-Italian picnic happened, and we have more fun upcoming events. September is busy with the San Genero festival and the Festa Italiana in Seattle. See the coming events. Remember, We need Volunteers for both these events to help staff our Membership booths. Contact VP Mike Butorac 509 674-2940 or mbutorac\_cabin@hotmail.com . How many of you are getting Questo Mese? It is a short email newsletter that comes from the National office monthly, sharing what is happening and highlighting some benefits that are yours because you are a member. If you are not, please contact our publisher Patrick Jacoby patrick@glnw.org He will get you connected.

It was great to see the article in the National Italian-America magazine featuring our future leaders Danny Volpone & Aydan Harvey. I have drafted a short article included in this NWIN about the retention of members. Please look at it...I hope it is helpful. Tony, Rosetta, and I have just returned from Chicago representing the GLNW at the National Plenary. I believe the three of us were a strong and positive representation of the Northwest. I am immensely proud to be your Grand Lodge President. Please feel free to contact me if I can be of any help. One point made was to take pictures at all of your events and send them to patrick@glnw.org to be put on our website. Then as President, I will send them onto the National website. Membership building is done by making people aware that we are here. As our National President Bob Bianchi says, ” We are the best kept secret” and we need to change that... We have a lot to offer, but people need to know it!

Respectfully,  
Linda Buccini Anderson

### Grand Lodge Bocce

The Grand Lodge Bocce tournament was so much fun. It was a beautiful day and we had teams from all over Washington. Our tournament was held at beautiful Les Gove park in Auburn. First I want to thank Ronnie Beyersdorf and Doug Chiechi for putting the great event together. Ronnie worked hard organizing and recruiting the team. Doug made a fantastic lunch of Italian sausage sandwiches with peppers and onions along with the pasta. Yum. Both Ronnie and Doug donated great food and liquor drawing prizes for players.

Also much appreciated was Salvatore Cascone for all the hours of hard work to get the courts in great shape. Thanks to Greg Singleton for overseeing the bocce tournament games. It was great to see teams playing and having fun. A big thank you to Rosetta Beyersdorf and Antonette Muir and Lina Gagnon for salads, desserts, setup, cleanup and most importantly cheerleading for all the teams.

This tournament was co-chaired by 1st St Vice Pres. GLNW Doug Chiechi and St Orator/Sr St Deputy Ronnie Beyersdorf. The event was held at the Les Gove Park outdoor bocce courts in Auburn Washington. We had 11 teams that paid entry fees however two donated the entry fee and we played with 9 teams in three round-robin elimination groups.

The teams making the medal rounds are as follows:

Championship 1st Place team, Team name "ABC Bocce Pros" Ronnie Beyersdorf sponsor. Players: Captain, Greg Singleton, Dominic Colello, Anthony Singleton, and Carlo Colarusso.

A list of thanks goes out to the following people who were key in making the on-site event a success. These events do not happen without teamwork. Thank you to Doug Chiechi for cooking his great sausages, and pasta for the players and donating all the great raffle prizes. Thanks to Salvatore Cascone who worked many days getting the courts ready for play and lining up teams to play. Thanks to Greg Singleton who set up the play boards and organized teams. Thanks to all the teams from the Sons & Daughters of Italy and Bocce Club teams who sponsored teams and played. Thanks to Auburn Parks and Recreation for providing the facilities.

## Report of the Autism Committee, executive summary

by Rosetta Beyersdorf, National Trustee

I am on the National Autism Committee chaired by the Maryland State Pres. Anita Riley. This committee recently convened at the National Plenary session in Chicago Ill and met as a National committee. Our main focus at that time was to sell coffee mugs and tea towels to raise money for Autism. In a short half-hour window of sales opportunity, we sold out and raised \$640.00 for the Autism Charity. Autism or Autism Spectrum Disorder (ASD) refers to a broad range of conditions characterized by challenges with social skills, repetitive behaviors, speech, and nonverbal communication. According to the CDC Autism affects 1 in 44 children in the United States today.

participating in our cultural discussion at the end of each meeting. It's a fun time to share maybe a photo or two to pass around, a book you have read or an interesting piece of history you have come across, a family memory, a recipe you cherish, or a favorite Italian song. Bring your thoughts and ideas – we promise to be interested and grateful! Also we need volunteers to be Cook of the Month – a good time to test your cooking skills or try out that recipe for a crowd. Tanti Grazie!!

Prayers and good wishes are sent to Jim Vettori, Pam Daudet, and Donna Cristofaro. We all look forward to seeing each other in person and catching up on what is happening with each of us. Our members Adrienne Smollen and Linda Buccini Anderson teamed up with Sheri Van Veldhouse and Claudia Baccus to play in the Grand Lodge Bocce Tournament on June 25th in Auburn. It was a fun time, a perfect day, and a great learning opportunity. By the way, this is my last newsletter as George and I plan to travel a bit this winter. Please consider becoming our next reporter. The "job" is a fun way to learn what's going on and to help others stay connected.

Did you know that Sicily hosts an annual Pistachio Festival which takes place this year during the last week of September in Bronte in the province of Catania? The pistachios of Bronte are hand harvested and are widely considered to be among the best in the world. The festival is fully devoted to pistachios and its unlimited food applications: you can enjoy the taste of ice cream, cakes, pasta, arancini, and pastries and find great recipes to try on your own. Sicilian pistachio agriculture is a legacy of Arabic domination during the ninth and tenth centuries. The festival offers free guided tours through the historic city center of Bronte during which you can visit the Church of Annunziata, built in the 1500s with beautiful paintings and a unique lava-stone window inside. The Capizzi Gallery has an impressive library left by the Jesuits who used to live in this 18th-century building, before being forced to flee in the late 1850s. For those of us lucky enough to have traveled through Italy we can attest to the sweetness of the local pistachios!

Ciao....

Hello Friends,

Over the summer the Bellevue Lodge had social meetings via Zoom on July 7th and August 4th. Former member Nancy Niedzielski joined for the August meeting, which was great to have her back. She says she hopes to join us for the September meeting. We will

be deciding soon if we'll meeting in person, so here's hoping for a safe return to normality. Also this summer, the Bellevue Lodge sent a bocce team to the Bocce Tournament in Auburn on June 25th. Our Lodge was represented Linda Caputo, Laura Cosacchi, Greg Osgood, and Kim Hoang who agreed to fill in a the last minute when another member of the team who had to pull out because of a prior commitment. Kim was worried that she would disappoint the team because she had never played before, but for a first time player, she played very well. The Bellevue won it's first match, but dropped it's next two matches and were eliminated from the tournament. Despite the less than desired results, the team had a lot of fun and is looking forward to the next tournament and a chance to improve their standings.

Carmelo Ricciardelli turned 100 years old on August 3rd. Carmelo

originally comes from Acciaroli Italy on the coast of the Tyrrhenian Sea, which is know for an unusually high number of centenarians. He joined our Lodge in August of 1978 and has been a board member in our Lodge for many of years. His family honored him with a birthday party that included many family members along with members of his church, the Knights of Columbus, and Sons and Daughters of Italy. In sunshine news, Joe and Linda Jacobin are recovering from COVID. Get well soon

Joe and Linda. Cathy Mettler had back surgery. On behalf of the Lodge I would like to wish Cathy a speedy recovery. In finally, I'm saddened to report that my father Paul Osgood passed away on July 26th. Paul was Bellevue Lodge President twice and Grand Lodge Orator. There really is so much to say about my father, but it's still difficult for me to talk about. I would just like to say a big thank you to everyone who has recent out to me with condolences and to tell me how much my father meant to them. It has been very comforting to me and my family.

Our next Lodge meeting will be Sept. 1st. At this point, I don't

**Black Diamond**  
#1809, Black Diamond, WA

A loving Fall 2022 welcome to you for renewed member camaraderie during safe and healthy returns to in-person monthly meetings when feasible. We would like to share a treasure bequeathed to the Black Diamond Lodge by our member Livia Merlini Ziebarth from the estate of her mother Marie Merlini Freeman . . . the original officer regalia. Member Barb Cloud consulted with skilled craftsman Martin Smithberg to build a beautiful window box in which to display these lodge treasures to hang in the OSDIA Black Diamond Lodge 1809 section of the Black Diamond Museum. A visit to the Museum is a delightful experience into the historical trove from the once-thriving coal mining town of Black Diamond, Washington.

This precious regalia was designed with the motto “Liberta,

Ugualianza, and Fratellanza” encircling a lion that is guarding the organization acronym “OFD’I in A” (Ordine Figli d’Italia in America). They were worn on lanyards proudly displaying the red, white, and blue of the country they loved . . . the United States of America. The following are translations of the Italian officer titles beautifully hung above the regalia: Venerabile President, Assistente di Venerabile Vice President, Ex Venerabile (Passato) Past President, Oratore Orator, Segretaria Recording Secretary, Segretaria di

Finanza Financial Secretary, Tesoriere Treasurer, Curatore Trustee, Cerimoniere Master/Mistress of Ceremonies, Sentinella Sentinel, Araldo Herald, and Arcivista Archivist.

And, now, the pleasure to introduce you to two of our newest members via their written family vignette. This is our story, the story of a “Son and Daughter of Italy in America” who this year joined the Black Diamond Lodge, thanks to Marlene and Michele Palazzo.

from Caserta (near Naples in the Campania Region of South Italy). It was 2017 when we decided to take a courageous turn in our lives as architects. We were in love with Naples since the time of our studies at the University. We have two children. Our daughter Maria Grazia has one year remaining to graduate from the Italian University to become an Architect, having previously graduated in Piano and Interior Design. Our son Vincenzo has one more year to graduate from the Italian University to become a Data Analyst. We were disappointed and tired of looking at the Italian horizon, so in 2017 we closed our professional architecture studio and said to ourselves, “We must LEAVE ITALY TO START A NEW LIFE IN THE USA.”

We have a great passion for good food, and in 2014 we opened a blog, Instagram, and Facebook page, sharing many recipes of our best local and family traditions. The name is Passioni & Curiosita’ which means “Passion and Curiosity.” By clicking on <https://passioniandcuriosita.blogspot.com> or on Facebook, Instagram, Twitter, and Pinterest, you can check it out and appreciate the most

succulent specialties that we have treasured over the years. I got my name Maddalena and my love for cooking from my grandmother as a young girl, and I was inspired by the advice and culinary experiences of my mother “Mamma Nannina - Anna.” My husband got his name Salvatore from his grandfather. From an early age he dreamed of making pizza, and he loved cooking pasta dishes. From his dad Vincenzo he had a passion for art, design, and craftsmanship.

We invested in a company that imports traditional products to the U.S.A. from Italy. From there, our dream of starting a culinary vocation came true. We are co-owners of a small restaurant in Idaho, where we offer some of our Italian and Campania specialties. Our customers love us and our Italian dishes.

From our family traditions come the meatballs, the pizza, the mythical tiramisu, the babà, the pastiera, the paste di mandorla (almond cookies), and much more that are on the menu of our restaurant. We taught Italian cooking classes for the city where we lived in Idaho, and we hope to be able to do it again here as soon as possible. After the experience in Idaho, in 2021 we moved to the Seattle area where we are now adding more experience in both fields of architecture/design and good food.

We are happy to represent a “Sketch of Italy,” to speak the melodic Italian language that Americans love, to cook and eat with friends, to show the places where we lived, traveled and enjoyed with our family, and to show the happiness of life! We never feel separated from our family and friends in Italy, thanks to Messenger-Whatsapp by which we maintain contact and continue to make new friends here in America. Like every Son and Daughter of Italy in America, we miss Italy . . . but we love the U.S.A. We are happy to be part of the Black Diamond Lodge in the Order Sons and Daughters of Italy in America and have fun every time we meet!

Hello everyone. I hope you all are enjoying our sunny weather, what a treat. I would like to post some photos from recent activities for our lodge.

Bill and Jackie Haberstock did a lot of work for our lodge making cannoli and selling them. They garnered a bit of money to add to our finances.

Thank you so much. Also, we are happy to welcome Jim Karosich as welcomed by Bill Haberstock and our members.

We are also very happy to have Gabriele and Michael Herndon who have rejoined our lodge. It is so nice to know they are with us once more.

Thank you also to Lenny Folino and Ronnie and Rosetta Beyersdorf for donations to our lodge.

Also don't forget we are having a FREE Annual Family Picnic from noon to 4 p.m., August 21 2022 at the Elks picnic shelter & area, 4131 Pine Road N.E. Please come join us in Bremerton!

Great food, great beverages, great games, and great friends! We also have a fun white elephant auction which is a great fundraiser

for our lodge and enables us to continue donations to charities.

Coming up in September chef Tony Anderson is providing red meat sauce and pasta for our lodge. Sounds yummy! Thank you, Tony! Gina Natucci and Tony Anderson are in the process of setting up for the 100th centennial celebration! This is the oldest lodge in the

GRLNW!

Birthday celebrations and congratulations are in order for several months. In June: Virginia Close. In July: Tony Anderson, Nicole

If you're wondering where the summer went, here are some events and news about what happened with us in Marysville, Mille Cugini. Cheryl Petrucci is due a big thanks for hosting another great picnic at her lovely home. Many people brought something to share

with everyone. Also, many thanks go to Pat Dama for helping with shopping and setting up. We are so glad to have him with us during

One of the most popular conversations among people throughout the land seems to center around, "The Weather." We in Upper Kittitas County are no different and of course, we believe "our weather" is the most unique anywhere be it simple calamity or God's beauty. This summer, so far, has proven to be the latter as our community and lodge activities have enjoyed the sun and mostly light winds when those conditions are most appreciated.

Our annual Lodge Picnic in June saw warm sunny skies. Members and guests caught up with each other on family activities over burgers and kielbasa while others enjoyed a little competition over a game of Bocce.

Late June in Cle Elum brings together the culmination of mushroom hunting, the coronation of the Pioneer Days Queen, and the Fourth of July Parade. The Cle Elum Lodge Mushroom Queen/King Contest saw Ken Richards of Roslyn win the crown with a 3.5-pound *Boletus edulis*. Karter Cresto took second place with a 2.36-pound entry, and Braven Bendzak came in third at 2.31 pounds. Julienne Breznikar, a lifelong resident of Cle Elum was crowned Pioneer Days Queen 2022.

The Grand Pioneer Day Parade 2022 on Fourth of July weekend saw 80 entries which included decorated floats and vehicles of all kinds, mounted horse groups and posses with their clean-up crews, antique cars, firetrucks, aid vehicles, military vehicles, walking organizational groups, politicians, and a motorcycle stunt troop. With the help of generous donations and support from our community and our

Brothers and Sisters in Order Sons and Daughters of Italy in America, the Cle Elum Lodge was able to award \$12,000 in scholastic and vocational scholarships to graduating seniors from local high schools. From Easton Schools was Loreydy Santiago and from Cle Elum Roslyn Schools were Mary Kay Wanechek, Chloe Cranefield, Hunter Pearson, Avalon Dewitt, and Shelby Jo Wanechek.

## Olympic Peninsula

#2733, Port Angeles, WA

Hello from the beautiful Olympic Peninsula. Be careful what you wish for.... like everywhere it seems, we have had too many unusually warm days. The ole air conditioner has been humming along for a while.

Before I get too far into this article, I am happy to report, that our newsletter articles are officially close to the ones in a newspaper.... I must report a correction and an oversight! I forgot to send along a picture for the last edition, and I also need to correct a quote; the quote will make much more sense when I do. I am including a picture of Peni Cenedella from her presentation at the May meeting. Also, her philosophy of the 3Ws should have read "make people feel Warm, Welcome and Wanted." I really needed to get

to correct that because it is such a great philosophy and words to remember. (You can go back to the last newsletter if you are curious how bad I messed it up.)

Now, on to a quick recap of our June meeting and July activities. I am keeping this short so I can get a few pictures in. We had surprise

guests attend our June meeting, Paul and Sharon Pioli. Since Paul had been our lodge's previous State Deputy, many of the long-time members were happy to see them both again. Aside from a productive meeting, and yet another fabulous meal, plus a fun raffle, we were treated to another episode of member "story time." Pat

(Pasquale) Restaino quite vividly shared how it was in the 50s in Newark, New Jersey growing up in a home where his father had a small, but a modestly lucrative connection to that famous family from Sicily. He described in detail various activities that took place, stereotypical "black cars" that arrived at the house, and men in nice suits who sat and sipped beverages like gentlemen before "getting down to business." For Pat, this was

all very normal – didn't everyone's dad provide for their family in a similar manner? Pat holds dear the memories of family gatherings for meals – aunts, uncles, cousins - not just at holiday time, but often throughout the year. He believes the sense of "family" is very important. There is a very similar fondness for family gatherings Pat described in an article in the summer edition of the Italian America magazine. The author describes Sunday dinners very much as Pat mentions. Pat's recollection of his childhood and teen years could have easily been the theme for a Hollywood movie starring Robert De Niro or Ray Liotta.

It was an enjoyable time sharing, and now we all understand Pat just a little bit better. Pat has been a valuable part of our lodge for many years. I call him Mr. Logistics – he arrives early and makes sure the meeting space is set up appropriately before the lodge members start rolling in. And he does so much more to be sure we are ready for our meeting and buffet meal. Pat is also our Chaplain,

and he conducts the raffle activities. (there's a joke somewhere in that combination of roles) He makes sure the raffle is fun as well as adds a little money to our bank balance.

Perhaps his unique New Jersey upbringing is still a little bit with him, and his belief in the family is evident within our lodge family. We are so grateful to have him in our lodge. Unfortunately, there isn't a picture of Pat for this newsletter, but one will be added next month.

In mid-July, we had two big lodge events. First, we sold cannoli again at the Port Angeles Farmers Market. We learned a bit from the first go at it, therefore we were more successful financially this time. While the funds are particularly important to our lodge, the activity itself was a wonderful opportunity to talk with those in the community. We spoke to several people who did not know the lodge existed, and we gladly shared information and handouts with them – and then convinced them to buy a cannoli or two. Appreciation goes to the volunteers for the event; Steven Bridge, Sal/Judy D'Amico, Joe/Yvonne Schipani. Sal once again made the cream filling, and once again, it did not disappoint. I think someone was even scraping the bottom of the empty bowl to get every drop! The very next day, we had our annual lodge picnic. It was well attended and of course, packed with great food. Again, we enjoyed the company of our guests, Paul and Sharon Pioli, Joe and Diane Clementi (from the Cataldo lodge) and we had a guest from our local Sons of Norway Lodge. We are hoping to reconnect with them now that activities are getting back to normal for both groups. We had a great time with our white elephant sale part of the day. Thanks to our State Deputy, Jackie Haberstock for also attending, and bringing along hubby Bill, (President of the Cataldo Lodge). Bill did a superb job as auctioneer; he had a way of getting the highest prices possible out of the mystery packages, plus made sure it was a “ton of fun.” Joe Schipani entertained us with an accordion playing for our singing and dancing pleasure.

So, that wraps up our month of July. We take the month of August off from our meetings; a good way to get through the rest of the dog days of summer. We will be back in September, with cooler weather

hopefully. Lodge member Armando Muggia is on the agenda for member storytime. Should be a good one!

The tourists are dwindling a bit, so hey, come up and see us sometime!

Ciao ... for now

Summer is coming to an end and the school year is about to start. President Jeff D'Amelio and his wife Dani spent some time in Hawaii. Jeff came home with COVID, and spent a day in the hospital but is now home and doing well. He is still staying isolated. Feel better soon, it is time for our fall meeting. Lisa Marchese and Gianna Marchese both dropped in to see everyone at the All Italian Picnic. Lisa has a month home from Rome but is busy with meetings

for her law practice and the classes she teaches in Rome. Gianna finished her summer internship and is headed back to school to continue working on her Master's degree. Good luck and safe travels to both of them. We lost one of our long-time members, Rose Croce. Sympathy and prayers to her family. Rose played a vital role in all of our Lodge events. She will be missed by many. Laura Salle attended a family reunion in Boston and visited a niece in New York. The pictures she posted on Facebook showed what a great time she had. Grandson Owen and his parents also attended the reunion. The Irish also know how to host a reunion. Attendance at the August get-together, sausage, and peppers, was small but fun. Be sure to watch your email for notifications about the time and place of our September meeting.

Joe and Therese Megale spent 25 days in Italy. Lucky them. They spent some time in Rome but most of their days were spent in Calabria visiting family. Before they left Seattle Joe made the evening news on KOMO was driving down the road and saw a house on fire. He stopped to help and called the fire department. Way to go, Joe!

President Jeff reports that he is looking forward to our upcoming meetings. He has missed seeing everyone this summer.

We will be having a booth at the San Genaro Festival and at the Festa Italiana. If you can donate some time to work at either event please contact Jeff. Now that school is starting please drive carefully and stop for the yellow school buses.

Congratulations to our Scholarship

“The Mother Lodge of the Northwest”  
We hope you have all been able to enjoy this beautiful summer! It’s hard to believe that it’s already September!  
The Tacoma Lodge has had a busy summer. We participated in the all-Italian Community Picnic on August 21st in Maple Valley. This was a fantastic fun time with a great dinner, music, dancing and of course lots of fun!

We also participated in The Little Italy Tacoma Street Fair on Saturday, August 27th. Thank you to all who made a donation or volunteered for the event. We had two booths, one in which we sold our fabulous roast beef Italian sandwiches and the other with our Italian sodas. Gina Costanti-Eacrett, our recording secretary, officially kicked off the fair by singing our National Anthem. Way to go Gina! We’ll provide more information about this event, with pictures, in the next issue of the Newsletter.  
As you may know, our Lodge will be celebrating its 100th-year celebration in April 2023. Our lodge members attending our September meeting will have the ability to reserve tickets for the event. This event will be held at the Tacoma Yacht Club. Currently, you can place an ad in the event’s program. Please contact Gina Natucci or Tony Anderson for more information about the costs of placing ads, etc.

On August 2nd, 2022, our Lodge held its seventh meeting of the new year at Bella Italia restaurant in Kennewick with a total of twenty-two members and visitors in attendance. It was a nice summer night with a great turn out and, by the end of the night, we had six new members sign up to join our lodge. This brings our total lodge membership to forty-two new members for the year.  
We had an update from our Pasta Dinner Chairperson, Julianne Barnaby, about our next Fall Dinner and Basket Raffle that will be held at the Richland Community Center on Saturday, Oct. 15, 2022. This dinner and basket raffle is our major annual fundraiser which has allowed us to fund three \$1,000 scholarships each year for several years, including the last two years of the pandemic. Julianne discussed the planning to date on the dinner and asked for volunteers to help with the many aspects of the dinner itself and the preparation of baskets that will be raffled off at the dinner.  
We also discussed our first social get-together of the year involving a social meeting and barbeque at one of our member’s homes that we hope to have later this summer. We are also hoping to have a Sunday afternoon of bocce play and social outing at one of our local wineries in the September-October timeframe.  
At the end of our meeting, we had a monthly raffle, as we usually do, for items of various kinds donated by lodge members. With the generosity of members, we were able to raise \$150 at our meeting. We typically raise enough raffle proceeds at each meeting during the year that allow us to donate up to \$500 to one or two local
