The History of the Grand Lodge of the Northwest Grand Venerables / Presidents. (The title Changed in 1983)

The Grand Lodge of Washington, Oregon and Idaho was founded on November 16th, 1930, with the first convention being held at the Winthrop Hotel in Tacoma WA. Due to the Southern portion of Oregon State being under the jurisdiction of the Grand Lodge of California although not an official change to avoid any confusion, it was decided to use the name Grand Lodge of the Northwest.
